RYBAT/PBSUCCESS

10 February 1954

MEMORANDUM FOR: []

SUBJECT : AMD Support of PBSUCCESS

1. Confirming verbal arrangements made several days ago at a preliminary meeting attended by [] of AMD, and William Robertson, []

[] of the WH Division, it is necessary that AMD render PBSUCCESS support to cover its air activities estimated to be as follows:

a. To make arrangements at Andrews Air Force Base to air lift a miscellaneous cargo consisting of highly sensitive materiel estimated at the present time to weigh in excess of 60,000 lbs. The destination of this cargo is [] The deadline for arrival at [] is 25 February 1954. Therefore it may be necessary to accumulate materiel at Andrews several days prior to 25 February, and that several flights may be necessary.

b. Approximately 3 weeks later o/a 18 March at least two C-47's will be required at [] to render a shuttle service between [] and points in Honduras and Salvador. This operation is expected to take about 5 days. Weight of cargos is estimated to be about 12 tons.

c. About the last week of March or the first week in April additional shuttle services of two C-47's will be needed to complete the work within a week and a half to two weeks. This again will be shuttle service between Honduras and Salvador. Weight is estimated at 75 tons.

2. The last phase is a contingency shipment to be used when and if necessary on D Day and the two weeks following. This will require an estimated 10 possible air drops consisting of 5 bundles each weighing 250 pounds.
